March 19, 9

Dear Captain Field,

With reference to your letter of March 17 regarding the safety of the Sitai Lake district, a Mr. W.G. Gande of the Special Police and party returned from a shooting trip at Sitai Lake on March 18 and he reports that it is quite safe there provided houseboats anchor in the Creek at night. The continuance of this condition of safety will, however, be largely dependent upon developments in the general political situation.

Yours sincerely,

Capt. L.P. Field ,  
North China Command.
